

How to find your Colorado State University CSUID Number

- 1) Visit www.ramweb.colostate.edu and log in with your eID (eName and ePassword). If you don't know your eID, please call the Registrar's Office at (970) 491-4860.
- 2) When you login to RAMweb, the first page that appears will have your name and CSUID listed at the top left of the screen.
- 3) Your CSUID will be 9-digits long, and will begin with an "82" or "83".
